

Operating a Fire

Extinguisher

In case of a fire, a **fire extinguisher** is a crucial tool for safety. To use it effectively, remember the acronym **P.A.S.S.**

Integrity Fire
-Safety Services-

P

Pull

Pull the pin and make sure the nozzle points away from you.

A

Aim

Aim the extinguisher at the bottom of the fire.

S

Squeeze

Squeeze the lever gently.

S

Sweep

Sweep side to side the nozzle across the fire.
